3d Brain Atlas Reconstructor on-line service

getThumbnailByKey

Returns a thumbnail of reconstruction (stored in the service) of a given service identifier in png format.

syntax

```
getThumbnailByKey?id=<id>
```

Required arguments

- id

  The service identifier of the reconstruction (a decimal integer).

Example

- http://192.168.10.61:8080/getThumbnailByKey?id=12064
